

Catch 22

NO CATCH, JUST GREAT TUNES!

We are Catch 22 a professional 4 piece function band from Wiltshire.

We are a 4 piece band consisting of Lead Guitar, Bass Guitar, Drums and Vocals. Boasting a varied set list from 1960's rock and roll to the floor filling dance hits fresh from the charts.

Unlike normal function bands we dedicate our time into creating interesting musical arrangements, incorporating television and movie theme tunes into instrumental sections of songs, intertwining into fun and danceable medleys.

With a young, fun and fresh image entertaining at holiday parks, weddings and private parties is second nature. Striving to expand our professional journey we are now looking for holiday park bookings. We have previously worked with ***Parkdean Holiday Parks, Hoburne Holiday Parks and John Fowler Holiday Parks.***

Testimonials

Hey guys, thank you all for making our evening. Everyone, including us of course, loved your set! The added bonus of another guitarist was also amazing. Thanks again. Natilie and Jason.

You were fantastic at the wedding, thank you. A neighbour came in the next day, introduced herself, and then said "about the band" and I thought - well, you can imagine ... residential area ... but then she continued "we enjoyed them - they were VERY good - can you let me have the details as we want to hire them for our event" - Graham Ellis, Father of the Bride.

I booked Catch 22 to help as a fundraiser for our local church. I was nervous as I didn't know it would be a success. Catch 22, in my mind, made it a success. Everyone from 10 to 80 years old enjoyed them selves and danced the night away. Have all ready booked them for next year!

Cracking night catch 22 !, Well played! well received ,great variety of songs.
